This Blonde Ale is a refreshing, thirst quenching beer that is perfect for a hot Okanagan day. Australian hops give this ale its distinct flavour and unique aroma. The addition of white wheat malt and German Ale yeast create a body that is soft and delicate with a crisp, dry finish.

Skaha Lake is one of the freshwater lakes that surround Penticton in the beautiful Okanagan Valley. Time honoured summer traditions such as rock climbing and cliff diving have made the Skaha Bluffs world famous.
